2. Faculty Dashboard

Faculty landing dashboard for user 'saif' (Dr. Nasrin Begum). Displays summary cards for total students (142), classes this week (8), average attendance (83%), and at-risk students (4), along with the weekly class schedule and course performance bars.

3. Faculty Profile Page

My Profile page for the faculty account 'saif', showing campus account details, approval status, role, department (Computer Science & Engineering), and quick action shortcuts.

The screenshot displays the 'My Profile' page within the NUBTK Campus Education Management System (EMS). The page is designed for a faculty member named 'saif'.

Header: The top header includes the NUBTK Campus logo, the text 'EDUCATION MANAGEMENT SYSTEM', and the user's profile 'saif' with the email 'saif@gmail.com' and a notification badge showing '5'.

Left Sidebar: A vertical menu on the left lists various workspace options: Faculty Dashboard, Student Monitoring, Risk Alerts, Send Notices, Messages, and My Profile (which is currently selected and highlighted in blue).

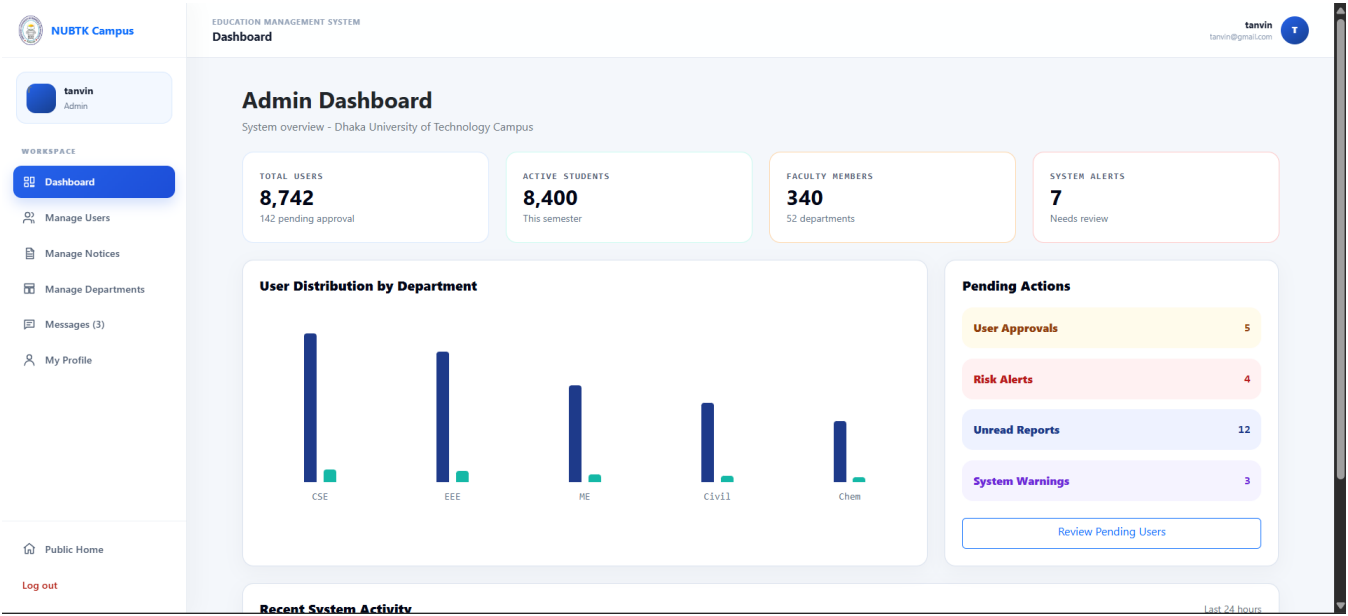

Main Content Area:

- My Profile Section:** Features a large blue header card with a circular profile picture placeholder containing 'SA', the username 'saif', the role 'Faculty', and the department 'Computer Science & Engineering'. An 'Approval' status badge indicates 'Approved'. Below this card are three white boxes: 'ROLE: Faculty', 'STATUS: Approved', and 'DEPARTMENT: Computer Science & Engineering'.
- Information Section:** Titled 'Profile details', it contains a 'Verified account' badge and several input fields:
 - FULL NAME: saif
 - EMAIL: saif@gmail.com
 - STUDENT / STAFF ID: Not added
 - PHONE NUMBER: 123456789444
- Quick Actions Section:** Titled 'Campus shortcuts', it includes three buttons: 'Open dashboard', 'Student monitoring', and 'Risk alerts' (which is highlighted in blue).
- Account Health Section:** Partially visible at the bottom right, it is titled 'ACCOUNT HEALTH'.

Footer: At the bottom left, there is a 'Public Home' link and a 'Log out' button.

4. Admin Dashboard

Admin dashboard for user 'tanvin' at Dhaka University of Technology Campus. Shows total users (8,742), active students (8,400), faculty members (340), system alerts (7), a user distribution chart by department, and a pending actions panel.

5. Admin Messages Page

Messages section of the Admin panel listing notices delivered to the account, including 'payment', 'exam', and 'holiday' notices with tags, dates, and senders.

6. Public Home Page — Tablet View

Responsive tablet layout of the public home page, showing the 'Smarter Campus. Better Outcomes.' hero section with Create Account and Sign In buttons and platform stats.

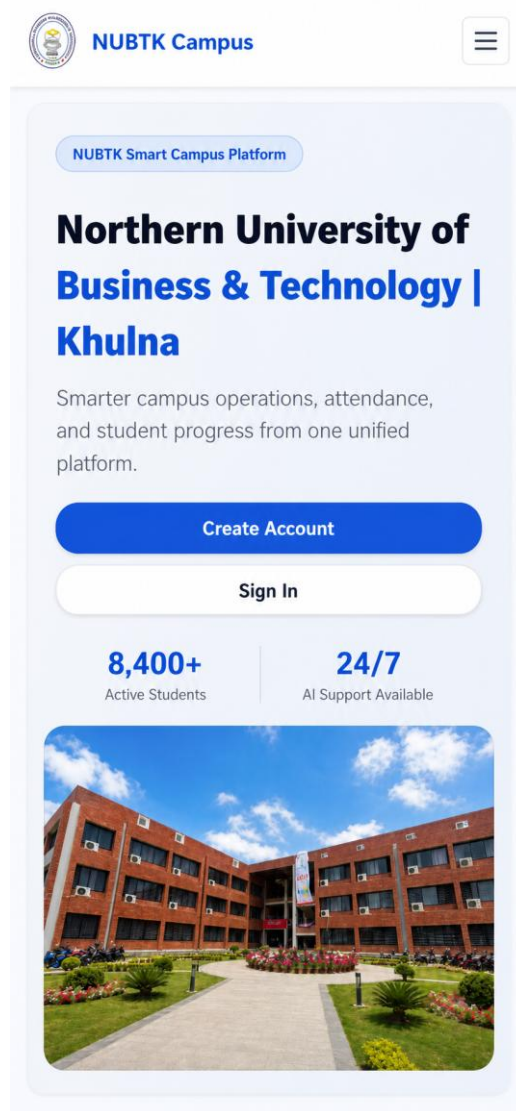

7. Public Home Page — Desktop View

Desktop layout of the public home page for Northern University of Business & Technology, Khulna, highlighting the campus image, hero text, and call-to-action buttons.

8. Public Home Page — Mobile View

Mobile-responsive version of the public home page, stacking the hero text, action buttons, stats, and campus photo vertically for smaller screens.

9. Registration Page

Account creation form shown in the browser (localhost:5173/register) with fields for full name, email, phone number, role, department, student ID, and password, plus a Create my account button.

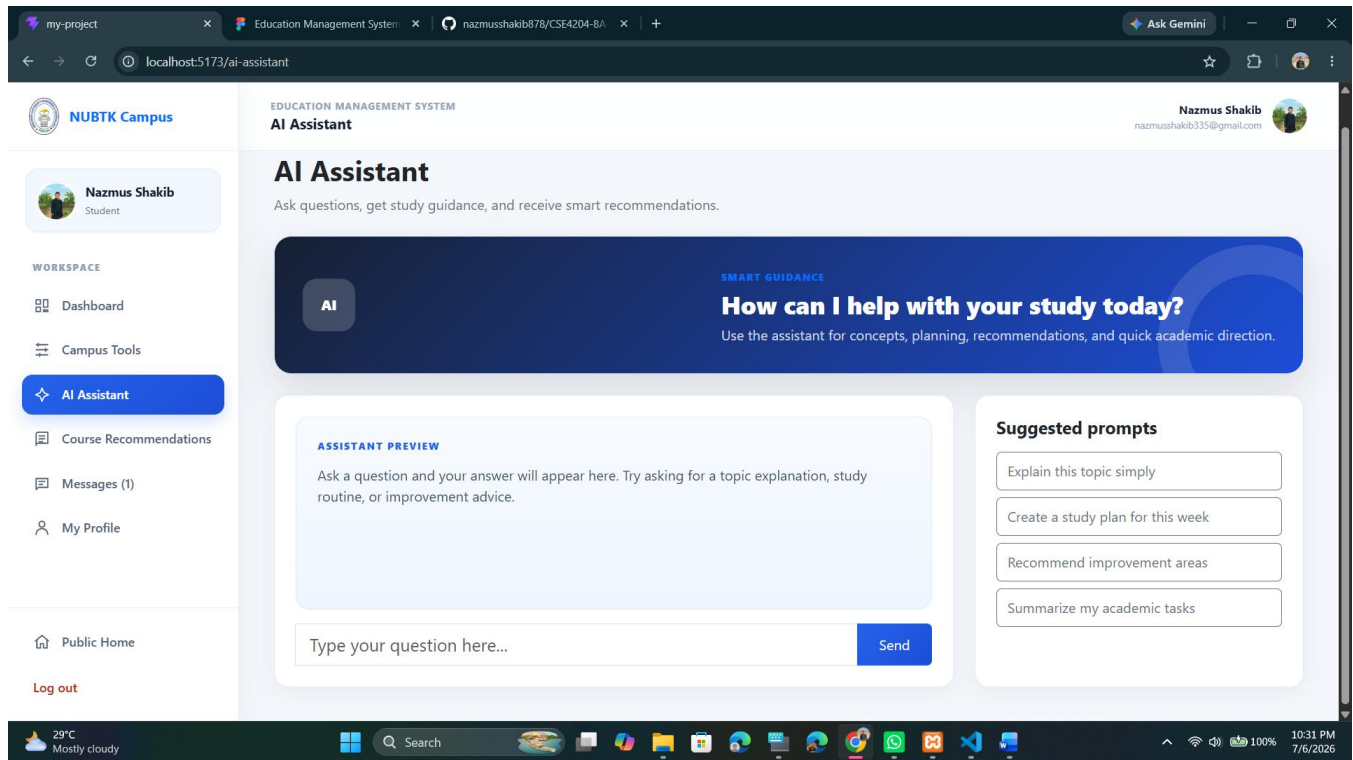

The screenshot shows a web browser window with the URL `localhost:5173/register`. The page features the NUBTK Campus logo and navigation links for Home, Login, and Register. A large banner on the left displays the text "Smarter Campus. Better Outcomes." and "One connected space for learning, academic progress, campus tasks, and intelligent student support." The main content area is titled "Create your account" and includes a subtext: "Set up your profile once, then access every academic tool after approval." The registration form consists of the following fields:

- Full name:** Text input with value "ABCD".
- Email:** Text input with value "you@example.com".
- Phone number:** Text input with value "01712345678".
- Role:** Text input with value "Student".
- Department:** Dropdown menu with value "Select department".
- Student ID:** Text input with value "CE66334459156".
- Password:** Text input with value "Password".
- Confirm password:** Text input with value "Confirm password".

Below the password fields, a note states: "Use 8+ characters with uppercase, lowercase, a number, and a symbol." A blue button labeled "Create my account" is positioned at the bottom of the form.

10. AI Assistant Page (Student)

AI Assistant workspace for student Nazmus Shakib, featuring a chat-style preview panel and suggested prompts such as 'Explain this topic simply' and 'Create a study plan for this week'.

11. Course Recommendations Page

AI-generated course recommendation list for Nazmus Shakib, showing matched courses (e.g., Machine Learning 96%, Cloud Computing 91%) with prerequisites, credits, and instructor details.

The screenshot displays the 'Course Recommendations' page within the NUBTK Campus Education Management System. The page is accessed via a web browser at localhost:5173/course-recommendations. The user, Nazmus Shakib, is logged in as a student. The page features a sidebar with navigation options: Dashboard, Campus Tools, AI Assistant, Course Recommendations (highlighted), Messages (1), My Profile, Public Home, and Log out. The main content area is titled 'Course Recommendations' and includes a sub-header 'AI-generated study path based on your academic profile.' Below this, an 'AI Analysis for Nazmus Shakib' section states: 'Based on your academic profile, performance signals, and active campus work, here are the recommended courses for your next semester.' The recommendations are listed in a grid:

- Machine Learning (CSE 5101)**: 96% match. Description: 'Strong AI coursework and database performance make this a strong fit.' Prerequisites: CSE 4103, MATH 3201. Instructor: Dr. Rahman. Status: Advanced, 3 Credits.
- Cloud Computing (CSE 5103)**: 91% match. Description: 'Matches your network, systems, and backend development profile.' Prerequisites: CSE 4105. Instructor: Dr. Karim. Status: Intermediate, 3 Credits.
- CSE 5201**: 88% match.
- MGT 3101**: 82% match.

Each recommendation card includes an 'Add to Next Semester' button. The bottom of the page shows a Windows taskbar with the date 7/6/2026 and time 10:32 PM.

12. Risk Alerts Page (Faculty View)

Risk Alerts dashboard listing students needing academic attention, with counts for critical, medium risk, and on-track students, and individual student risk cards showing attendance, CGPA, and missed classes.

The screenshot shows a web browser window displaying the 'Risk Alerts' page of the 'Education Management System' for Nazmus Shakib. The page is titled 'Risk Alerts' and lists 'Students requiring immediate academic attention'. It features three summary cards: '1 CRITICAL', '2 MEDIUM RISK', and '138 ON TRACK'. Below these are two detailed student cards. The first card for 'Fatema Khanam' (Medium Risk) shows 62% attendance, 2.45 CGPA, and 12 missed classes. The second card for 'Nasrin Akter' (High Risk) shows 55% attendance, 2.1 CGPA, and 18 missed classes. Both cards have 'Send Notice' and 'View Profile' buttons. The left sidebar contains navigation links for Faculty Dashboard, Student Monitoring, Risk Alerts, Send Notices, Messages, and My Profile. The bottom of the page shows a Windows taskbar with the date 7/6/2026 and time 10:34 PM.

13. Logged-in Home Page

Public home page after login, now showing Dashboard and Logout options in the navbar along with a live 'Academic Overview' widget displaying average CGPA (3.74) and overall attendance (92.4%).

14. Student Dashboard

Student dashboard welcoming 'nazmus', with an overview banner and summary cards for academic role, active tasks, smart insights, and learning resources, plus recent activity and upcoming tasks panels.

15. Student Profile Page

My Profile page for student 'nazmus', showing campus account information, approval status, role (Student), department, and profile details including student ID and phone number.

The screenshot displays the 'My Profile' page within the NUBTK Campus Education Management System. The page is designed for a student named 'nazmus' and includes the following elements:

- Header:** The top bar shows 'NUBTK Campus' on the left, 'EDUCATION MANAGEMENT SYSTEM' in the center, and the user's name 'nazmus' with a profile icon and email 'nazmus@gmail.com' on the right.
- Left Sidebar:** A navigation menu under the 'WORKSPACE' heading includes links for 'Dashboard', 'Campus Tools', 'AI Assistant', 'Course Recommendations', 'Messages', and 'My Profile' (which is highlighted).
- Main Content Area:**
 - My Profile Section:** Features a large blue header with a circular profile picture placeholder containing 'NA', the name 'nazmus', and the role 'Student'. It also shows 'CAMPUS ACCOUNT' and 'Computer Science & Engineering | student'. An 'Approval' status of 'Approved' is displayed in a green box.
 - ROLE:** A card showing 'Student'.
 - STATUS:** A card showing 'Approved'.
 - DEPARTMENT:** A card showing 'Computer Science & Engineering'.
 - INFORMATION:** A section titled 'Profile details' with a 'Verified account' badge. It contains four fields:
 - FULL NAME: nazmus
 - EMAIL: nazmus@gmail.com
 - STUDENT / STAFF ID: CSE11220320852
 - PHONE NUMBER: 012345674588
 - QUICK ACTIONS:** A section titled 'Campus shortcuts' with three buttons: 'Open dashboard', 'Campus tools', and 'Course recommendations' (highlighted in blue).
- Footer:** A 'Public Home' link and a 'Log out' button are located at the bottom left.

16. GitHub Repository

GitHub repository page for 'CSE4204-8A-T07-ai-smart-campus-system', an AI-Powered Smart Campus & Student Success Platform built for the CSE 4204 Lab, showing folder structure (backend, database, documentation, frontend, screenshots) and commit history.

The screenshot shows a GitHub repository page for 'CSE4204-8A-T07-ai-smart-campus-system' by user 'nazmusshakib878'. The repository is public and has 112 commits. The main branch is 'main'. The repository structure is as follows:

File/Folder	Commit Message	Commit Time
backend	Added new feature	10 hours ago
database	Added new feature	yesterday
documentation	Added new feature	yesterday
frontend	Added new feature	10 hours ago
screenshots	Added new feature	yesterday
.editorconfig	Added new feature	yesterday
.gitattributes	Added new feature	yesterday
.gitignore	Added new feature	yesterday
README.md	Added new feature	yesterday

The repository also includes a README file. The right sidebar shows the repository's 'About' section, which describes it as an 'AI-Powered Smart Campus & Student Success Platform for CSE 4204 Lab'. It also shows 'Releases' and 'Packages' sections, both of which are currently empty. The 'Contributors' section lists 4 contributors.
